

Cirencester Deer Park School

School Standard: 'Wear the school uniform correctly'

Our school uniform is simple and intended to be comfortable but smart. Correct uniform is important to establishing the right atmosphere for learning and we want pupils to take pride in their appearance. We ask for parental support in making sure that pupils leave home correctly dressed for school. Unfortunately, owing to recent fashion trends, standards of uniform at the school have dropped and, therefore in January 2010, we will be tightening up on our expectations and reinforcing them. We hope the following points of clarification, based on our recent experience, will help you in purchasing new items of school uniform and to keep the costs down as we believe our uniform should be affordable. With the exception of our school sweatshirt and polo shirt, most acceptable items are available from supermarkets and major high street stores. It should not be necessary for parents to buy expensive 'labelled' items from fashion shops.

Acceptable in school	<u>NOT</u> Acceptable in school

As you can appreciate we can not change our uniform in response to changes in fashion. From January 2010, if the correct school uniform is not worn, or not worn correctly, pupils and parents will be given a short period of notice to improve and persistent failure to adhere to our simple dress code will lead to serious sanctions and a child may be sent home. Pupils will be asked to remove items of non uniform and in some circumstances these may be confiscated.
