

September 2011

Dear Parents

Post 16 Parents' Information Evening

I am writing to inform you that as part of our Careers, Education & Guidance Programme, Cirencester Deer Park School will be holding a Post 16 Parents' Information Evening on Thursday 6 October at 7.00pm in the Main Hall.

We have structured the evening to be informative as well as interactive, so that you are able to find out about the wide range of pathways available to your child post 16. I have invited three colleges and training providers to talk about the range of courses available.

Cirencester College, Stroud College and a Training provider will be in attendance. You will have the opportunity to talk to each provider in greater detail about their institution and courses they intend to run in 2011.

Now is the time when pupils will be starting to think about the next stage in their learning journey and with so many different routes available the choice can be a hard one to make.

I also attach a list of all the Open Days and Evenings for the next academic year so you are able to plan your programme of visits to find out about each institution before making an informed decision. The list is also available on the school web site.

I look forward to welcoming you on Thursday 6th October in the Main Hall. Please do not hesitate to contact me should you have any questions.

Yours sincerely

Chris Germaine
14 – 19 Curriculum Co-ordinator
