

SUCCESS COMES FROM HARDWORK

SUCCESS COMES FROM HARDWORK

Geography KS3 Learning Journey

Mexico and migration

Conflict in the News

Typhoon Haiyan comparison

Hurricane research and Hurricane Katrina case study

TNC's and sweatshops

Honduras gangs

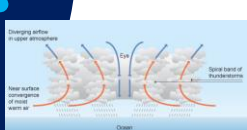

Conflict

Disaster management

Hurricane formation

Climate change, causes and effects

Wild Weather

Droughts, wildfires and floods

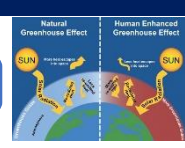

Tornado formation and impacts

Wild weather in the USA

Climate speeches

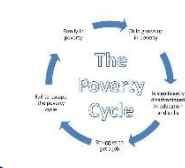

Climate of the UK

Top down and bottom up development projects

Ghana case study

Theories of development

Global development gap

Development dilemmas

Ecotourism

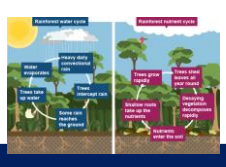

HEP dam debate

The impact of palm oil

Rainforest climate

Tremendous Tropics

Sustainable development

Informal settlements

Coastal processes and city priorities

Global distribution of rainforests

The TRF ecosystem

Running Wild

People of the forest

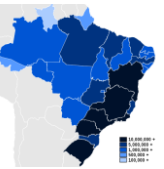

Deforestation

YEAR 8

South America

Brazil - a country of contrast

Population density

Place knowledge. Physical and human Geography

Landscape uses

Landscape formation

UK Landscapes

Preparing for an earthquake

Earthquake Hazards

Volcano research and Mt Vesuvius case study

Impacts of volcanic eruptions

Earthquake research and Japan case study

Why do the impacts of earthquakes vary?

Why do volcanoes erupt?

Plate tectonics

Dynamic Planet

Map skills

Becoming a geographer

YEAR 7

Place knowledge

Dangerous places

Structure of the Earth
