

Enrichment Week

Monday 1st – Friday 5th July 2019

FAQs

What is Enrichment Week?

Enrichment Week is a key part of our promise to deliver "*more than a visible curriculum and challenge all pupils to achieve more than they first think is possible*" here at Cirencester Deer Park School. As well as being great fun, the trips and activities have educational purposes that aim to:

- Give every pupil the opportunity to experience new situations outside of the classroom
- Widen pupils' horizons
- Give pupils the opportunity to learn new skills and meet new people
- Develop pupils' resilience, independence and confidence
- Promote the spiritual, moral, cultural, social and physical development of pupils
- Prepare pupils for the opportunities, responsibilities and experiences of life in modern Britain.

When does Enrichment Week take place?

Week commencing **Monday 1 July 2019** for the whole week.

Why plan Enrichment Week so early?

Early planning allows parents to budget payment instalments over several months. Also, many activities get booked well in advance, so we need to confirm numbers early to ensure activities can take place.

What should I do if I have a problem?

Talk to your tutor, the leader of the activity or Mr Bellamy, Pastoral Team Leader.

How do I pay?

We encourage parents to pay online using [WisePay](#). There are specific payment deadlines for most activities and using WisePay also allows parents to schedule payments themselves. Please [contact the Finance Office](#) if you have forgotten your login details or have any other queries about WisePay. Please see the activity leader if there is a payment query.

FAQs

How do I pay? ...cont'd

Most activities require a deposit which MUST be paid by the deadline of FRIDAY 2 NOVEMBER 2018. Pupils will not be considered for an activity if the deposit has not been paid. Most activities will then have three payment deadlines: Monday 3 December 2018, Monday 4 February 2019, Friday 29 March 2019.

If any of your choices require a deposit, you only need to pay one deposit. If you pay a deposit but are not allocated an activity which requires a deposit, the deposit will be transferred to the activity that you have been allocated to and if the deposit paid is greater than the total cost of that activity, any balance will be refunded to you.

If you do not pay the deposit on an activity that requires one, you will not be allocated to that activity.

How will places be allocated?

Places are **NOT allocated on a first come, first served basis**. All options will be dealt with at the same time, after the deadline of Friday 2 November 2018.

We try to give as many pupils as possible their first choice of activity. However, in the event that an activity is oversubscribed, a draw will take place of all the pupils who have opted for that activity.

Pupils who are unsuccessful in the initial draw will be allocated to their second preference. In the event of this being oversubscribed, a draw will take place and unsuccessful pupils will be allocated to their third preference. Based on previous experience it is very unlikely that pupils will not be allocated any of their chosen activities. **It is important, therefore, that pupils select a first, second and third preference.**

Attendance and behaviour may be taken into account when selecting pupils for a trip. Places on residential trips are subject to the discretion of the activity leader, and any pupil deemed to be a risk to the safety, comfort or enjoyment of others on the trip may be excluded from that activity.

FAQs

How will places be allocated? ...cont'd

If pupils want to increase the chances of being with particular friends on an activity, they may wish to staple their forms together but we cannot guarantee that they will both be allocated the same activity.

How will I know if I have my first choice?

As soon as the groups are sorted they will be displayed on a notice board in School. We aim to do this before the end of November.

What if I want to change activity after allocation?

It is not normally possible to change once places have been allocated. Once you have committed to an activity, should you then withdraw your child from the activity for avoidable reasons, the school will make its best endeavours to minimise your liability for the total cost of the trip, but we cannot guarantee that you will not be asked to pay for the full cost of the trip if we are unable to obtain a refund from the activity provider.

When should I bring my Reply Form back?

Completed forms, and any relevant deposit, must be handed in to Mrs Testar in the Finance Office before the end of **FRIDAY 2 NOVEMBER 2018 AT THE VERY LATEST.**

What happens if I don't return my Reply Form?

Make sure you return your reply form so that you have an Enrichment Week that will challenge and interest you. However, if you do not opt for anything, you will be allocated to the lowest cost activity available.
