

Summer Transition Material for Year 7s joining September 2020

Staff at Cirencester Deer Park School have been pleased to welcome our New Year 7 pupils via our telephone calls and ‘virtual’ induction events and we are delighted that many of you will have been able to join us for an Induction Morning or Induction Afternoon on Monday 13 or Tuesday 14 July 2020. Although these induction sessions have been limited, and have not enabled our new pupils to experience a full two-day timetable of lessons across a variety of faculty areas, we hope they have been valuable in allowing you to meet your tutor for the first time and have another opportunity to tour the school.

We are aware that many of you are keen to find out what you will be learning in September when you join us fully and start the next stage of your learning journey at Secondary School. Therefore, faculty colleagues have put together some transition material which we hope will allow you to “dip” into the different faculty areas and see what you might be learning. Whilst there have been some tasks set for you to complete, these are not mandatory, but purely optional for those who wish to find out more about the exciting opportunities that lie ahead. We recommend reading through the whole booklet. You can then dip in and out through the summer break during any spare time you have, even when you are out and about. In addition to the transition material in this booklet, you have already been provided with personalised login details and additional information regarding Mymaths, which was included with the letter confirming your Tutor Group, again to provide the opportunity to continue some Maths challenges over the summer, should you wish to do so.

We would also recommend visiting the school’s website at www.deerparkschool.net/admissions where you will be able to see a welcome message from your tutor, a virtual tour of the school, a tour of the school by current pupils, as well as a recording of the welcome evenings.

We hope that this information provides you with everything you need ready to learn and feel confident and excited about joining Cirencester Deer Park School on the next chapter of your learning journey. A letter will follow to confirm the arrangements for the start of term as soon as the plans are finalised. Have an enjoyable summer and we look forward to seeing you all in September.
