Letter of Understanding

The Job

1. During the Work Experience placement, the student should carry out meaningful work and / or observation of work activities. The employer will ensure that the work is planned by a responsible person and that the student will receive an appropriate induction as well as instruction and supervision during the period of their placement
2. Student under the age of 16 should not receive any payment for their work experience, in accordance with Work Experience guidelines and the current Education Act. The employer may contribute towards the cost of travel and meals, but this is not an obligation
3. The student will work the hours agreed on the placement request form which will be in accordance with employment regulations for young people

Health, Safety, Welfare and Security

1. The employer recognises that a student on work experience is regarded as an employee for the purposes of Health & Safety legislation and the associated duties of care. The employer will ensure that the student does not operate any hazardous machinery/equipment or carry out work of an unsuitable nature. Where necessary protective clothing and equipment should be provided and instructions given on how to use such PPE
2. The employer recognises the need for risk assessments to be carried out for students before the placement and that these are communicated to the school. The employer also undertakes to monitor and modify risk assessments during the placement to take account of individual student capabilities
3. The student will
 - not disclose any information that is confidential to the employer
 - obey all safety, security and other instructions given by the employer
4. The student's parent / guardian will undertake to see that the student carries out the obligations (in 3) and will confirm that he/she is not suffering from any complaint that may hazard the safety of the student or those working with him/her. The employer will be advised of any known details concerning the student which may require special attention to ensure a successful placement
5. In the case of absence, accident or sickness, the employer will notify the school contact. If necessary the student will be allowed to use the employers first aid facilities

Child Protection

1. The employer has a duty of care towards young people and needs to consider the suitability of staff who may be working with children on work experience placement. The employer is reminded to disclose staff (where known) who are disqualified from working with children (in accordance with the Criminal Justice and Court Services Act 2000)

Insurance

1. The employer will arrange for Employers Liability (compulsory) insurance, Public Liability and Vehicle insurance (where applicable) and will confirm that students on work experience placement are covered by each policy (as applicable)
2. The employer will accept, or insure against liability for loss, damage or injury caused by the student whilst on work experience with the organisation, to the employers property, other employees, or third parties in the same way as with paid employees. The employer will notify their insurance company of their participation in providing a work experience placement

Data Protection

1. The employer gives permission for the school to process employer personal details for the purposes of work experience in accordance with the Data Protection Act 1998. Student's personal details are confidential and should be safeguarded in accordance with the Data Protection Act 1998

Monitoring

1. The employer will permit access for monitoring purposes to representatives of the school

Statutory Obligations

1. The employer agrees to observe all relevant / current legislation – in particular that relating to Health & Safety and legislation in respect of Sex Discrimination, Race Relations, Disability and the Children's Act
