

School Standard: In our learning community we are all responsible for our actions, **we take pride in our uniform** and wear it correctly.

Our school uniform is purposefully simple, comfortable and smart. This enables us all to focus on teaching and learning. Correct school uniform is important to establishing the right atmosphere and we want pupils to take pride in their appearance. To 'take the heat out of shopping', we require pupils to wear specific school uniform items. However, we have retained some choice for pupils and parents. We hope the clarification below, will help you in purchasing new items of uniform.

Most 'acceptable' items are available from Trutex online www.trutexdirect.com using school code LEA000613SC or D&J Sports in Cirencester www.djsports.co.uk It is not necessary for parents to buy expensive 'labelled' items from high street fashion shops. We will not tolerate alternative items to those that have been prescribed.

<p>As you will appreciate we cannot change our uniform in response to changes in fashion. Parents and pupils are expected to seek clarification if in doubt about a change in hair colour, for example, regarding its appropriateness and suitability to the school environment before spending their money. If the correct school uniform is not worn, or not worn correctly, a yellow uniform card must be obtained from the pastoral team. Pupils will be asked to remove items of non uniform and, in some circumstances, these may be confiscated. Pupils will often be given a ‘spare’ item by pastoral staff to wear in the short term until a replacement can be purchased. Pupils and parents may be given a short period of notice to improve and failure to adhere to our simple dress code will lead to serious sanctions. Persistent breaches of our dress code will be treated as defiant behaviour and sanctioned under our discipline policy.</p>
