

Enrichment Week

Monday 1 – Friday 5 July 2024

More information about Enrichment Week 2024 can be found on www.deerparkschool.net

Y7 Aim for the Stars

All Year 7 pupils take part in activities which help develop team building and communication skills and give individuals a challenge. Most of the activities take place off school site. You will spend the week with your tutor group and, in most cases, with your tutor.

You will spend a day at **Lake 32, Cotswold Water Park** where you can experience three activities such as kayaking, sailing, canoeing, windsurfing and rafting; or land-based activities if you don't want to go in the water.

On one day you will learn some **Woodcraft Skills** and make a camp fire and cook your own lunch on it, as well as some other challenges! You may get muddy!

One day will be based at **St Fagan's National Museum of History** in Cardiff, this is an open-air museum covering historical lifestyles, culture, and architecture. The whole year group will go on the same day.

You will spend a day working on a **STEM Challenge** with STEM Ambassadors in small groups, this will be based at school. You will have the chance to be creative and persuasive in a Dragon's Den type task.

At **Cotswold Country Park**, you will have the chance to participate in water- and land-based activities and have time at the beach.
